Have a helium referral? You could get a big check from Zephyr.

It's all about who you know. Zephyr supplies helium to retail chains and high-volume stores all over the world. We're the only wholesale helium supplier with a distribution network throughout all 50 United States, and we're growing. This is your chance to help our effort, and in the process, maybe even get a 4-, 5, or even 6-figure reward! If you know someone in a buying capacity for helium and your referral results in a 36-month service agreement, we will send a bonus check to your door. [Click for Zephyr's Helium Referral Program](#)
